Professional Credentials

Jami Yazdani, our Founder & Chief Consultant, is a certified:

- Project Management Professional (PMP)
- Disciplined Agile Scrum Master (DASM)
- Change Manager
- Wicked Problem Solving Practitioner

Her credentials include:

- Master's in Technology Management
- Master's in Library and Information Science (MLIS)

Core Competencies

- **Training:** Customized online, hybrid or face-to-face sessions on project management, planning, and leadership topics.
- **Project Coaching:** Coaching and consulting to help you turn project ideas and program proposals into successful projects.
- **Project Management:** Leave it to us to ensure your project runs smoothly and delivers promised outcomes.
- **Project Workflows:** Create consistent success across your organization's portfolio of projects, programs, and teams.
- **Streamlined Strategic Planning:** Spend less time planning and more time taking action.
- **Implementation Planning:** translate your strategic plan into concrete, achievable actions

Past Performance

- **16+ years of training experience** in roles in higher education and business.
- Delivered 4 virtual training sessions for the State Library of North Carolina in 2020, 4 sessions in 2022, and 2 in 2023.
- Coordinated technology assessments and upgrades for 30+ nonprofits utilizing over \$950,000 in CARES Act funding.
- As a temporary Project Librarian for the NC Secretary of State's Office, led a project to modernize their document archive.
- Led a planning process for an education nonprofit to confirm its strategic priorities (based on an outdated strategic plan) and develop a 1-year organizational plan.

References available upon request.

Differentiators

- **Hands-on experience in government environments:** Jami Yazdani spent 12+ years leading projects, teams, and trainings in full-time, director-level roles at 3 public higher education institutions.
- **Broad training experience:** We provided 30+ training sessions in 2023 and 20+ in 2021 for audiences spanning a wide range of professionals, from bankers to dermatologists to librarians.
- **Project management designed for mission-driven organizations:** We focus on creating buy-in and inspiring collaboration and action from diverse stakeholders.
